

Application for External Reviewers

Stance:

An International Undergraduate Philosophy Journal

<http://stance.iweb.bsu.edu>

Stance seeks undergraduate philosophy students to serve as External Reviewers or Assistant Editorial Board members. This is an exciting pre-professional learning opportunity. Selected students hone their writing, researching, and reviewing skills by serving on a national award-winning journal. External Reviewers and Assistant Editorial Board members must have advanced undergraduate experience in philosophy, strengths in writing and editing, and the self-motivation necessary to complete work by given deadlines. One letter of recommendation is required.

External Reviewers will review one to three papers in late January. Assistant Editorial Board members will consider approximately twenty papers in December. External Reviewers and Assistant Editorial Board members will receive training material that explains what is expected in the formal review and be credited in both the print and electronic versions of the journal.
